From W. S. BETTS, Esq., Agent of the South Indian Railway, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Negapatam, 6th April 1875, No. 508.

Your letter No. 131, of the 1st ultimo.

If the vessels now on their way from England duly arrive here, I consider we shall be in a position to open the line from Trichinopoly to Tirumungalum on the 1st of July next, thence to Virdupatty on the 1st of August, and the line south thereof to Tuticorin and Tinnevelly by the 1st of November following.

2. The Chief Engineer reports that he expects to have the section from Madras to Chingleput ready by the 1st of August, and I will urge upon the Board the necessity of shipping to Madras rolling stock sufficient for working that length in time to enable us to open it for public traffic on that date.

Submitted for the information of Government, with reference to this office letter, No. 781, dated 28th December 1874, printed in the Proceedings of Government, No. 194, dated 23rd January 1875.
