Public Works DEPARTMENT

G.O. No.	1084	Press
B.P. No.		Mis.
Dated	17-4	195

Not to be folded or roughly handled

*Proceedings of the Madras Government, Public Works Department,
17th April 1875.*

No. 464. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 10th April 1875, No. 203 :—

I HAVE the honor to submit, for the sanction of Government, plan No. 1,084, together with an estimate, amounting to Rupees 2,063,* of the cost of a shed which it is proposed to erect over the goods platform at the Avenashy Station, South-West Line, of the Madras Railway.

* Indian	..	..	..	RS.	1,178
English	..	..	..		885
					<u>2,063</u>

2. The Traffic Manager in a letter to the Chief Engineer writes as follows in respect to the necessity for this work :—

“Avenashy is an important station for goods, and we have great difficulty in accommodating the whole of the traffic at times, and are obliged to allow some of it to stand on the open platform, which causes great dissatisfaction.

“The difficulty will be overcome by covering 60 feet of the open platform with a shed similar to the one at Mettapolliem, and I shall be glad if this can be done.”

3. The matter was discussed at a meeting of the Railway Committee held at Royapooram, and I am of opinion that the shed over the platform is necessary for the convenience of the traffic.

4. It is proposed to meet the expenditure from Schedule C, “works not specially provided for,” of Budget 1875-76, and the sanction will lapse at the end of the fourth quarter after its receipt.

No. 465. ORDER THEREON, 17th April 1875, No. 1,084.

RAILWAY, No. 55.

THE estimate is sanctioned under the circumstances explained. Funds will be provided as proposed, and the sanction will lapse at the end of the fourth quarter after receipt.

(True Extract.)
