*Proceedings of the Madras Government, Public Works Department,
19th April 1875.*

No. 497: Read the following letter from Lieutenant-Colonel J. GODDARD, R.E., District Engineer, Presidency, to Colonel G. W. WALKER, R.E., Secretary 10th April to Government, Public Works Department, dated Fort St. George, 1875, No. 227:—

With reference to paragraph 2 of G. O., No. 859-E, dated 31st March 1875, I have the honor to explain that the sum of Rupees 5,432, surrendered on the 17th March 1875, under the head Military Repairs, was chiefly from the allotment of Rupees 15,000 for compensation in lieu of free quarters for Military and Medical Subordinates. The expenditure under this head varies very much every month, so that I cannot possibly rightly calculate the exact amount that would be required for expenditure. I was, therefore, obliged to wait till the accounts for February 1875 were closed before submitting my final statement. The accounts were closed only in the middle of March, and I immediately surrendered the amount, viz., on the 17th March 1875.

2. Moreover, the several works under the head Military Repairs were not completed up to the end of February 1875, whereby I was unable to surrender the savings on completed works earlier than I did.

3. Under the above explanation I trust that the late surrender will not be regarded as unsatisfactory.

No. 498. ORDER THEREON, 19th April 1875, No. 1,103.

ACCOUNT, No. 24.

THE explanation is not considered satisfactory, and the restriction imposed in G. O., No. 859-E, of 31st March, will be maintained.
