No. 535. Read the following letter from J. W. RUNDALL, Esq., District Engineer, Tinnevely, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Palamcottah, 6th April 1875, No. 4:—

I HAVE the honor to bring to your notice that the extra amount, *viz.*, Rupees 89-15-0, required by me for the Police huts at Vedanattam included in my statement of savings and demands, has not been granted in the supplemental statement of savings and demands passed by Government in their Order, No. 831, of the 24th ultimo.

2 This sum was also included in my incomplete works statement of last year, but as no funds were granted, I again brought this forward in the demands statement.

3. I request that Government will be pleased to allot this sum out of the sum of Rupees 855 held at the disposal of Government to adjust the amount already spent.

4. A further sum of Rupees 24-8-0 is also required to allot for compensation for land taken up for the Police huts at Sholapuram, sanctioned for erection in G. O., No. 537, of the 2nd March 1874, on an estimate of Rupees 825, but no provision was then made for compensation. I have called upon the Range Officer to explain the circumstances under which this sum was not included in the original estimate prepared in January 1873, but to avoid delay I hasten to request Government to allot this sum also from the reserve at their disposal above referred to.
