Account.

It is observed that, in the absence of specification of the purposes for which the lands forming Items Nos. 1 and 2 of the entries in the abstract given in the foregoing Proceedings of the Board of Revenue were taken up, it is impracticable to issue orders for the adjustment of the claims.

2. The other three items appertain to the Madras Water Works Project, and the sums claimed can be adjusted under the rules. They appear to be:—

Item 3.—Rupees	586-1-0 less 586-1-0	=	..	..	RS.	A.	P.

3. The Board of Revenue will be requested to expedite the remainder of the compensation claims in connection with the Madras Water Works Project. It is improbable that any provision will be made for expenditure on this project after 1875-76.
