Proceedings of the Madras Government, Public Works Department, 29th April 1875.

Read the following letters:—

No. 688. From Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer of Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madura, 20th March 1875, No. 5,229:—

In continuation of my letter, No. 5,111,* under date the 13th instant, I have the honor to report that Taluq Overseer E. R. Soobroya Iyer has submitted his resignation of his present post in the department, having accepted an appointment of Assistant Master in the proposed School of Civil Engineering and Natural Science at Bangalore, without giving me any notice or applying for permission to do so.

2. I beg to state that I declined to accept his resignation, and herewith forward the same for the orders of Government; it is perfectly impossible with the establishment allowed for the district to carry on the ordinary duties, and I regret therefore that I am unable to recommend that this Overseer be allowed to go away at present at all events.

*1 Original letter from the Taluq Overseer of Pereacolum, to the Assistant Engineer, Pereacolum Sub-Division, No. 252, dated 16th March 1875.

No. 688A. From L. RICE Esq., Director of Public Instruction, Mysore and Coorg, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Bangalore, 15th April 1875, No. 155.

An application having been made to this office by Subroya Iyer, Taluq Overseer at Periacolam, Madura District, that though he has resigned that position in order to take up the place of Assistant in the School of Engineering and Natural Science at Bangalore, he has not yet been relieved, I have the honor to request that steps may be taken for relieving him as early as possible from his present duties as his services are urgently required here.

No. 689. Order thereon, 29th April 1875, No. 1,191.

ESTABLISHMENT, No. 58.

It appears from inquiries made by the Chief Engineer that Soobroya Iyer was encouraged to apply, and recommended, for employment in the Civil Engineering College at Bangalore by Lieutenant-Colonel Roberts, Superintending Engineer of the division to which Madura belongs. It is to be regretted that neither Colonel Roberts nor Soobroya informed the District Engineer of Madura of their proceedings.

2. The consequence of such reticence is that Soobroya must now stand fast until the arrival of Mr. Paynter, who was posted to the Madura District in G. O., No. 1,018, of 14th April, enables the District Engineer to arrange for his relief.

(True Extract.)

(Signed) G. W. WALKER, Colonel, R.E.,

Secretary to Government.

To the Director of Public Instruction, Mysore and Coorg.
„ District Engineer, Madura.

Exd. S. T. Austin.
