*Proceedings of the Madras Government, Public Works Department,
29th April 1875.*

No. 690. Read the following letter from R. J. MELVILLE, Esq., Acting Collector of the Chingleput District, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Sydapet, 21st April 1875, No. 35 :—

I HAVE the honor to request that you will be good enough to obtain the sanction of Government for acquiring possession, under the provisions of Section 17, Act X. of 1870, of certain lands required by the South Indian Railway Company for ballast pits in the zemin village of Adayar in the Sydapet Taluq. Conflicting claims having been preferred as to the ownership of the lands, I am of opinion that the safest course will be to take up the land under the Act.

2. I regret the delay that has taken place in respect of this matter, but the Special Deputy Collector's letter recommending the course now proposed appears to have been mislaid.

3. A draft notification is enclosed.

No. 691. ORDER THEREON, 29th April 1875, No. 1,192.

RAILWAY, No. 89.

ORDERED that the Notification be published accordingly in the *Fort St. George Gazette*.
