No. 715. Proceedings of the Madras Government Revenue Department, dated 2nd March 1875, No. 331.

ABSTRACT.—*Dispute regarding a tract of country in the Panathur Village, of Cassergode Taluq, South Canara.*—Referring for compliance Proceedings, Board of Revenue, asking for certain field books for settling a —.

No. 715A. From the Quartermaster-General, Fort St. George, dated 24th March 1875, No. 2,069.

No. 715B. From the Surveyor-General of India, to Major A. deC. SCOTT, R.E., Under Secretary to the Government of Madras, Public Works Department, dated Calcutta, 16th April 1875, No. 820.

In reply to your letter No. 358, dated the 3rd instant, inquiring whether any field books of the Survey of Coorg executed in 1806 exist in this office, I have the honor to state, for the information of the Government of Madras, that the only records of the Survey of Coorg which are recorded in this office are some statistical memoirs, routes, and an account of the triangulation. No field books are forthcoming, and as the survey was only topographical, it is not likely that any field books were kept at the time of the survey.

2. The large scale original maps of the portion of country referred to in the enclosure to your letter are in this office, and tracings (extracts) showing the country around the village of Panathur and for some distance along and on either side of the boundary are under preparation, and shall be forwarded as soon as they are ready.

*Proceedings of the Madras Government, Revenue Department,
2nd March 1875.*

No. 7. Read the following Proceedings of the Board of Revenue, dated 8th February 1875, Miscellaneous No. 845 :—

Read the following letter from A. McC. WEBSTER, Esq., Acting Collector of South Canara, to J. GROSE, Esq., Secretary to the Board of Revenue, dated 29th January 1875, No. 196.

IN settling the boundary between this district and Coorg, a dispute has arisen between our land-holders and those in Coorg regarding a tract of country in the Panathur village of the Cassergode Taluq. From the map prepared in the Chief Engineer's Office, Surveyor-General's Department, on 9th July 1842, which was laid down from actual surveys in 1806, it seems that the tract in dispute belongs to this district.

2. My Head Assistant, Mr. Gibson, who has been deputed by me to meet the Superintendent, Coorg Revenue Survey, wishes to refer to the field books or actual surveys from which the map was prepared; and I have, therefore, the honor to request that the Board will kindly take steps to procure them for me.

3. The tract of country, the surveys of which are required, is shown in the accompanying copy from the Trigonometrical Survey Map (which has apparently been reduced from the original large map).

SUBMITTED to Government, with request that the field books for which the Collector asks may, if possible, be obtained.

(A true Copy and Extract.)

(Signed) H. E. STOKES,
Acting Secretary.

No. 8. ORDER THEREON, 2nd March 1875, No. 331.
