*Proceedings of the Madras Government, Public Works Department,
15th January 1875.*

No. 259. Read the following letter from T. MOSS, Esq, Controller of Public Works Accounts, to Colonel G. W. WALKER, R E, Secretary to Government, Public Works Department, dated Madras, 15th December 1874, No. 8,240 —

I HAVE the honor to solicit a reconsideration of the order contained in the Proceedings of Government, No. 3,482, of the 11th December 1874, as under the rules of the department the families of all subordinates, from clerks upwards, are provided with free passages. The most recent order on the subject will be found in Standing Order by the Government of India, No. 44 of 1872, which has been made applicable to the Madras Presidency.

2 The object of my letter printed with the above quoted Government Order was to make known to Government that the transfer of the Artificer had cost more than was anticipated by Government when G. O, No. 2,428, of the 27th August 1874 was issued, and, under the circumstances, I thought it desirable to obtain the formal sanction of Government to the larger outlay.

No. 260. ORDER THEREON, 15th January 1875, No 121.

ESTABLISHMENT, No. 11.

UNDER the explanation now afforded by the Controller of Public Works Accounts, the charge on account of the passage of Ordnance Artificer Joyce's wife and child is sanctioned.
