*Proceedings of the Madras Government, Public Works Department,
1st May 1875.*

No. 36. Read the following letter from Captain J. PENNYCUICK, R.E., District Engineer, North Arcot, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Vellore, 21st April 1875, No. 245:—

With reference to O. G., No. 1,070-A, of 16th instant, I have the honor to request that Mr. Vincent may be allowed half travelling allowance (Rupees 2 per diem) while employed on the Palar bridge.

2. The bridge is nearly three miles from the house where he lives, and as it will be necessary that he should be on the work nearly all day, he must either encamp there or move backwards and forwards two or three times a day. In either case I think it is right that some travelling allowance should be given.

No. 37. ORDER THEREON, 1st May 1875, No. 1,235.

ESTABLISHMENT, No. 5.

THE request made is quite incompatible with the terms of the existing Travelling Allowance Rules.
