Sir,

In reply to your letter N^o 169 of 22nd ultimo, I have the honor to inform you that I have no objection to furnish you with copies of the papers referred to, but as it is likely to reopen the whole question of Mr. Hammett's conduct while in charge of N^o III Range Vizagapatam, on account of which he was removed from the District, I do not advise his making any move in the matter, and I think that the copies of papers should be obtained from the Chief Engineer's Office, or from this office with his sanction.
