No. 58. Read the following letter from T. MOSS, Esq., Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Madras, 23rd March 1875, No. 11,305 :—

With reference to G. O., No. 797-C of the 20th instant, I have the honor to forward a statement showing the only items which I think can be transferred to meet the increase to Capital in the Dowlaishweram Workshops. The Progress Reports are not a safe guide in such matters. For example, to the end of February last the outlay in carrying out improvements to the Gun-powder Manufactory, Madras, has been Rupees 14,771, but the full grant of Rupees 28,490 is likely to be utilized. The aggregate of trifling savings under Imperial Works and Repairs may make up the difference of Rupees 9,961 required to complete the sum of Rupees 25,000, but it is impossible without reference to District Engineers (for which there is now no time) to detail the items on which savings may be anticipated.

ACCOUNT, No. 2.

In his letter recorded with G. O., No. 797-C, dated 20th March 1875, the Controller reports that a sum of Rs. 25,000 is required to adjust increase to the Capital of the Dowlaishweram Workshops at the end of the year 1874-75.

2. As from the latest information to hand it does not appear that specific savings to this extent are available, the Controller of Public Works Accounts will arrange to adjust the increase to Capital against general savings on the Budget grant under Imperial, leaving the balance to appear as an excess in the year's accounts.

3. The following sums making up a total of Rupees 12,059 are available :—

	Rs.
Trichinopoly.—Roofing in latrines of the 38th Regiment Native Infantry and followers of the Royal Artillery, and adding Earth-store and Cart-shed. Estimate Rupees 4,110. Item No. 19 of Budget of 1874-75	4,010
