

*Proceedings of the Madras Government Public Works Department,
4th May 1875.*

No. 87. Read the following endorsement of the Chief Secretary to Government,
dated 17th April 1875 :—
From the Acting Collector of Trichinopoly, to the Hon. W. HUDLESTON, Chief
Secretary to Government, Fort St. George, dated Trichinopoly, 3rd March
1875, No. 19.

A NEW channel from a jungle stream to feed a reservoir at Kalligudi, Trichinopoly
Talug, was estimated and sanctioned. This new channel has to be excavated through
the waste lands of an entire inam village bearing the same name. The Inamdars
from a feeling of jealousy raise all sorts of objections and demand unreasonably high
compensation, and obstinately refuse to come to any reasonable term. I have therefore
to request sanction for taking up the land required for the channel under the Act (X.
of 1870), and the publication in the *Fort St. George Gazette* of a declaration to that
effect. The plan of the channel and the measurement of the required extent which is
already pegged are, together with a draft notification, submitted herewith.

TRANSFERRED to the Public Works Department for disposal.

(Signed) W. HUDLESTON,
Chief Secretary.

No. 88. ORDER THEREON, 4th May 1875, No. 1,260.

IRRIGATION, No. 6A.

THE acquisition of the land referred
to under the Act is approved and the
Notification will be published in the *Fort
St. George Gazette.*

SIR,

A new Channel from a jungle stream to feed a reservoir at Kalligudi Trichinopoly has been estimated and sanctioned. This new channel has to be excavated through the waste lands of an entire Iyannam Village bearing the same name. The Iyannams from a feeling of jealousy raise all sorts of objections and demand unreasonably high compensation and obstinately refuse to come to any reasonable terms. I have therefore to request sanction for taking up the land required for the channel under the Act (X of 1870) and the publication in the Fort Saint George Gazette of a declaration to that effect.
