*Proceedings of the Madras Government, Public Works Department,
5th May 1875.*

No. 91. Read the following letter from Colonel A. S. MOBERLY, R.E., District Engineer, Cuddapah, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Cuddapah, 16th April 1875, No. 116 :—

I HAVE the honor to forward the accompanying list of disallowances from the travelling allowance bill of Mr. Assistant Engineer J. Traill for the month of March, and to request that Government may be moved to sanction as a special case the half travelling allowance for twenty-five days with reference to paragraph 3 of G. O., No. 2,635, dated 17th October 1871, as that officer has travelled about five miles on an average daily for taking surveys and levels on the Konapoor, Kommoor, and Pothapee tanks and the river embankments near Pothapee.

No. 92. ORDER THEREON, 5th May 1875, No. 1,262.

ESTABLISHMENT, No. 9.

THE Government are not at all sure that Mr. Traill's prolonged sojourn at Pothapee was necessary or desirable; it is almost impossible that survey work for so long a period as thirty-eight days can be conveniently carried on from one camp. To meet probably some special expenses attendant on a residence in camp half the amount properly disallowed by the Controller may be passed, but on future occasions the District Engineer must be able to give much better reasons for the relaxation of the rule than he has in the present case adduced.
