*Proceedings of the Madras Government, Public Works Department,
5th May 1875.*

No. 93. Read the following docket from Captain L. CONWAY-GORDON, R.E., Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 26th April 1875, No. 478 :—

COPY of the following letter from the District Engineer, Ganjam, submitted to Government for orders in continuation of this office letter No. 383, of the 20th April 1875.

From Major H. SMALLEY, R.E., Officiating District Engineer, Ganjam, to Captain L. CONWAY-GORDON, R.E., Controller of Public Works Accounts, dated Camp at Berhampore, 12th April 1875, No. 2.

WITH reference to G. O., dated the 2nd July 1874, No. 1,775, under which travelling allowance bills and inspection reports should be submitted for audit within the month following that to which the claim refers, I have the honor to request you will inform me whether it is considered that an Overseer or other subordinate (failing satisfactory explanation) altogether forfeits his claim to travelling allowance by omitting to send in his journal within reasonable time, say the first ten days of the succeeding month. In G. O., No. 1,698, dated the 24th June 1874, it was ruled that single horse allowance at least must be passed to an Overseer, but if he does not take the trouble to send in his diary even within the succeeding month (as has been the case in this district) it seems to me he should *ipso facto* forfeit all claim to even single horse allowance.

No. 94. ORDER THEREON, 5th May 1875, No. 1,263.

ESTABLISHMENT, No. 10.

A TALUQ OVERSEER or other subordinate who, habitually and without due cause assigned, omits to despatch his journal in support of claim for travelling allowance within the first five days of the month succeeding that for which the claim is made, will be dealt with at the discretion of the District Engineer, subject to appeal to Government. The wording of the order regarding those who neglect to send in the necessary papers in support of their claims to travelling allowance within the month succeeding that to which the claims relate is precise and definitely excludes all claim whatever.
