*Proceedings of the Madras Government, Public Works Department,  
8th May 1875.*

---

No 179. Read the following letter from Colonel E A FOORD, R E, Superintending Engineer, Bellary, to Colonel G W. WALKER, R E, Secretary to Government, Public Works Department, dated Bellary, 27th April 1875, No. 143 —

With reference to G O, No 1,036, of 14th April 1875, I have the honor to inform you that the Collector of Bellary has written to say that Kurnool Badameeah is willing to accept a sum of Rupees 400 in satisfaction of all claims to the building in the compound of the Native Infantry Hospital at Bellary. As he has been losing rent for the last six years, and as the building when in good order would have been rented for 10 Rupees a-month, the Collector thinks that the sum now demanded is not exorbitant.

2 I, therefore, request that sanction may be accorded for the disbursement of this sum from the provision for "Minor New Works, Military" if no money be available from Reserve.

No 180. ORDER THEREON, 8th May 1875, No. 1,310

MILITARY WORKS, No. 4
