Sir,

I shall feel very thankful if you will be so good as to request the District Engineer Presidency to apply to Government to grant me a loan of Rupees 1000 to be repaid by deductions from my salary, of Rupees 100. per month, or any sum that Government may deem fit.

I beg to explain that in consequence of the recent severe illness of my Children in Germany and subsequently the death of my second son heavy expenses have been incurred which induce me to look to Government for aid to overcome the pecuniary difficulties in which these calamities have involved me, and I need hardly say how highly the boon will be appreciated. Moreover I have received advice warning me to be prepared to take up the bills drawn against me on the above account and I shall feel very thankful therefore if you will kindly place my request before the District Engineer with your recommendation for favorable consideration.

I have the honor to be
Sir
