Proceedings of the Madras Government, Public Works Department,
21st May 1875.

No. 377. Read the following letter from Major C H. LUARD, R E, Officiating Under Secretary to the Government of India, Public Works Department (Railway), to Colonel G. W. WALKER, R E, Secretary to the Government of Madras, Public Works Department (Railway), dated Simla, 28th April 1875, No 1,020 R .—

I AM directed to acknowledge the receipt of your letter, No. 780, dated 19th March 1875, furnishing explanation of the cause of delay in the settlement of outstandings against Government Departments, Private Traders, Foreign Railways, &c.

2 In reply, I am to request that unless it has already been done the credit-note system of payment may be more generally adopted for all Government Departments. As regards private traders the transactions should be placed on a similar footing if the adoption of a strictly cash system of payment for freight cannot conveniently be insisted on.

No. 378. ORDER THEREON, 21st May 1875, No. 1,403.

2. Lieutenant-Colonel Shaw-Stewart will report whether the credit-note system is now in operation in all Government Departments, as contemplated by G. O, No. 775, dated 19th March 1875

3 As regards private traders it is observed that it has been resolved* by the Railway Authorities to discontinue the practice of giving credit; it is not necessary, therefore, to apply the credit-note system to them.
