*Proceedings of the Madras Government, Public Works Department,
26th May 1875.*

No 451 Read the following letter from W A GOODCHAP, Esq, District Engineer, Kurnool, to Colonel G W. WALKER, R E, Chief Engineer, Department Public Works, dated Camp at Nundial, 7th May 1875, No 28 —

I HAVE the honor to report that, under the authority granted in your endorsement, No 190, dated 12th March 1874, on the Controller's letter to your address, dated the 9th idem, No 7,977, I issued instructions to W Pushparatha Chetty of the Kalaratnakaram Press, Madras, to print blank forms required for this office, and at the same time I wrote to the Superintendent of Stationery requesting him to supply the paper required for the purpose

2 As there was some delay in issuing the stationery, the Proprietors of the Kalaratnakaram Press used their own paper to print the forms on, but agreed to receive from the Stationery Office the same quantity and description supplied by them, except country chellam, ultimately, however, they refused to take Government paper, urging the following objections against doing so —

1st—That the country chellam was made to order for the purpose required.

2nd—That as there is a Government stamp on the white and blue foolscap it cannot be used for private purposes.

3 The value of the paper as given in the Kalaratnakaram Press bill, is Rupees 48-15-6, but I have reduced it to Rupees 46-2-9 in communication with the Superintendent of Stationery, the latter amount being equal to the prices current in the Stationery Office

4 Under the circumstances explained above, I beg to request that you will be good enough to solicit the sanction of Government to the enclosed two bills amounting to Rupees 46-2-9

No 452 ORDER THEREON, 26th May 1875, No. 1,438
