No. 464. Read the following letter from Lieutenant-Colonel T. I. M. HOG, R.A., Superintendent of Stationery, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 11th May 1875, No. 73 :—

I HAVE the honor to forward, herewith, for instructions true copy of letter No. 219, dated 7th May 1875, with indent (to be returned) enclosed from the Controller, Public Works Accounts, Madras.

2. If, as is stated, the paper is required merely for samples, one or two sheets would be all that is necessary, and as the Controller has already been supplied on his general and supplemental indents for the current year with the descriptions noted in the margin, a further supply of these articles would not, I venture to submit, be necessary.

3. From the remarks entered in red ink in the indent it will be observed that some of the articles were procured from England on special requisitions, and as only a limited supply has been received none of these can be spared for supply to departments other than those for which they were obtained.

In reply to your No. 69, dated 29th April 1875, I have the honor to explain that in consequence of the resolution of Government to re-organize the Accounts branch of the Public Works Department it has become necessary to get out a complete set of service forms and books, and to enable me to do this in the most economical way I require not only to know exactly what descriptions of paper are available, but also to have by me several sheets of each description.

2. An indent in proper form is sent herewith.
