*Proceedings of the Madras Government, Public Works Department,
26th May 1875.*

No. 473. Read the following endorsement of the Superintending Engineer, Chingleput, dated Guindy, 12th May 1875, No. 517:—

From Captain R. F. TAYLOR, Executive Engineer, No. 1 Range, Chingleput District, to Colonel F. J. MOBERLY, R.E., Superintending Engineer, Chingleput, dated Camp Ponnary, 3rd May 1875, No. 168.

In the annual list of the establishment employed in the Public Works Department I find that I am placed last on the list of Executive Engineers of the 4th grade; Government were pleased to reduce me in March or April 1874 (on certain representations made by the late Mr. Fraser) from the position I then held to a lower one, ordering my name to be placed *just above that of Mr. G. R. Leggatt*. To my surprise, however, I find that this gentleman as also Lieutenant Bevan have apparently superseded me. I have taken the liberty of bringing these circumstances to your notice as I fancy there must be some mistake, and I solicit it may be rectified.

SUBMITTED to the Secretary to Government, Public Works Department, for consideration.
