*Proceedings of the Madras Government, Public Works Department,
26th May 1875.*

Read the following papers :—

No. 495. Endorsement of the Chief Secretary to Government, Ecclesiastical Department, dated 26th April 1875.

From the Venerable C. R. DRURY, M.A., Acting Archdeacon of Madras, to the Hon. W. HUDLESTON, Chief Secretary to Government, Fort St. George, dated Ootacamund, 23rd April 1875.

I HAVE the honor to submit, for the approval and sanction of Government, an estimate, amounting to Rupees 255, and a specification for constructing a bell-stand and providing lamps for the church at the French Rocks, prepared in reference to G. O., No. 202, 27th August 1874, Ecclesiastical Department.

TRANSFERRED to the Public Works Department, with reference to G. O., dated 27th August 1874, No. 202.

(Signed) W. HUDLESTON,
Chief Secretary.

No. 496. From Captain H. M. VIBART, R.E., District Engineer, Bangalore, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Bangalore, 8th May 1875, No. 31.

WITH reference to your memorandum, No. 479, dated 3rd instant, I have the honor to inform you that provision for a bell was omitted in the estimate by an oversight. A bell of the pattern alluded to in G. O., No. 2,151, dated 28th August 1873, would be required. The cost of the same would be as follows :—

	RS.
Cost of the bell	228
Carriage, &c., from Madras to Bangalore and to French Rocks ...	22
	250

No. 497. ORDER THEREON, 26th May 1875, No. 1,461.

CIVIL WORKS, No. 33.

THE Honorable the Governor in Council sanctions the estimate, amounting to Rupees 255, for providing a bell-stand, and a further sum of Rupees 250 for the cost of a bell for the church at the French Rocks ordered to be supplied in Order in the Ecclesiastical Department, No. 202, dated 27th August 1874. The District Engineer will provide funds out of the grant for Minor New Works, Civil Buildings.

(True Extract.)

Major, R.E.,
Offg. Joint Secretary to Government.

To the Ecclesiastical Department.

Specification to accompany
Plan and Estimate for Constructing
a Bell stand and for providing lamps
to the Church at French Rocks.

Amount of Estimate Rs 230 15)

The foundation for Bell stand will be $11\frac{1}{2}$ feet long $5\frac{1}{2}$ ft broad and 18 deep built with brick in chunam. Over this a base of $10\frac{2}{3}$ long $5\frac{1}{3}$ ft broad and 4 ft high with a slope of 1 ft on all sides on top of it as shown on the plan to be built of the same materials as for the foundation. Two upright stones roughly dressed will be fixed $\frac{1}{4}$ feet deep into the base having 6 ft height above the base. The top of these stones will be cut to the exact shape and dimensions of the arch that rests on them. The arch 2" square to be inserted into the East beam 7×9 at the end of which a wheel of 5 ft diameter will be fixed which shall consist of a circular frame 4×5 and horizontal and vertical frames 3" square with a groove of 1" deep cut round on the exterior of the wheel so as to admit the rope for pulling. The bell will be hung at the Centre of

of the beams as shown on the plan.

The exposed part of the masonry will be plastered with two coats of chunam and whitewashed with two coats.

The wooden work will be painted with two coats of chocolate color paint.

Two green silver hanging lamps with hooks & complete and a wall lamp with hooks fixed in wooden blocks will be provided for the church.
