*Proceedings of the Madras Government, Public Works Department,
27th May 1875.*

Read the following papers:—

No. 522. Docket from the Controller of Public Works Accounts, to the Secretary to Government, Public Works Department, dated Fort St. George, 20th April 1875, No. 378.

Copy of the following letter from the District Engineer, Madura, submitted to Government for information with reference to paragraph 3 of G. O., No. 900, dated 5th April 1875.

(Signed) L. CONWAY-GORDON, Captain, R.E.,
Controller of P. W. Accounts.

From Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Captain L. CONWAY-GORDON, R.E., Controller of Public Works Accounts, dated Camp at Melakkal, 15th April 1875, No. 175.

With reference to your letter, No. 375, under date the 9th instant, I have the honor to inform you that, previous to the receipt of G. O., No. 770, of the 11th March 1873, Supervisor and now Sub-Engineer Mooneappah Pillay was transferred from the Dindigul to the Madura Range, and was put in charge of the works in the Shevagunga Zemindary and was ordered to work under Mr. Assistant Engineer Hawksworth, who was placed in charge of the whole of the Zemindary sub-division consisting of the two extensive Zemindaries of Shevagunga and Ramnad, as also of the works in the Paumben sub-division.

2. It will be observed that, under the sanction accorded in G. O., Nos. 770 and 895, dated respectively 11th and 21st March 1873, a sub-divisional office establishment was employed under each of the two abovementioned officers.

3. On Mr. Hawksworth's transfer to Dindigul in April 1873, Mooneappah Pillay was ordered to take charge of all the works in the Ramnad Zemindary in addition to those of the Shevagunga Zemindary, and he was likewise allowed to have the establishment belonging to the Ramnad Zemindary in addition to his own establishment.

4. And these establishments together with that allowed for the Madura Range were continued to work under Mooneappah Pillay till September 1874, when they were transferred to Mr. Supervisor Potter, who had taken charge of the works connected with the Zemindary Sub-division.

5. Under these circumstances, it will be seen that out of the eight lascars referred to four were attached to the establishment of the Madura Range, and the remaining four to the two Sub-divisional office establishments of the Zemindary sub-division.

No. 523. From Captain L. CONWAY-GORDON, R.E., Controller of Public Works Accounts, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Fort St. George, 30th April 1875, No. 575.

As requested in your memorandum No. 441, of the 22nd April 1875, I have the honor to forward, herewith, a statement showing the Range and Sub-divisional Establishments at present employed in the Madura District, with the dates of their entertainment.

ORDER THEREON, 27th May 1875, No. 1,475.

ESTABLISHMENT, No. 38.

THE Madura District Engineer will understand for the future that one Sub-divisional establishment is attached to each range of his district, and that the special establishment is attached to the special officer of the district.

*Proceedings of the Madras Government, Public Works Department,
27th May 1875.*

2. It does not appear that more than the proper number of lascars has been entertained on the whole, though their distribution has been rather irregular.
