As the Assistant Engineer, Lieutenant O. V. to enable that officer to utilize the current year's grant of Rupees 5,000 sanctioned for the ghaut in question.

2. I may mention that although the ghaut work is situated in the Pereacolum Taluq, yet the services of the Taluq Overseer cannot be spared, as the whole of his time is fully occupied in superintending the construction of the new Taluq Cutcherry, and in looking after the Irrigation repairs and various Local Fund works in that taluq; and the ghaut is at the furthest extremity of the whole taluq, and takes the Overseer away from all other principal works and duties.

ESTABLISHMENT, No. 21.

HIS EXCELLENCY the Governor in Council will permit, as a special case, that the Maistry in charge of work on the new Goodaloor Ghaut shall be authorized occasionally to make payments on Lieutenant Boddy's responsibility. But he must rely on that officer taking every opportunity of making such payments personally or by his Overseer, and leaving them to be made by the Maistry as seldom as possible.
