*Proceedings of the Madras Government, Public Works Department,
31st May 1875.*

No. 595. Read the following letter from Lieutenant-Colonel J. F. FISCHER, R.E., District Engineer, Madura, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Peracolum, 13th May 1875, No. 547:—

With reference to paragraph 1 of G. O., of the 18th March 1875, No. 764, I have the honor to request you will be good enough to inform me whether any provision can be made in this year for improving the new Goodaloor Ghaut. The item, No. 80, of the budget is a provision from the estimate for "the road from Goodaloor to the foot of the ghaut," but no provision appears to have been made for the work sanctioned in the above Government Order, and, as the time is fast approaching for beginning work on the ghaut, I request an allotment may be made as soon as possible to prevent further damages to the work and to carry out the sanctioned improvements.

No. 596. ORDER THEREON, 31st May 1875, No. 1,510.

CIVIL WORKS, No. 41.

THERE are no funds at the disposal of Government for separate allotment to carry out the estimates sanctioned in paragraph 1 of G. O., No. 1,826, dated 16th July 1873. The budget provision of Rupees 5,000 must be utilized to the best advantage.
