From the Acting President of the Local Fund Boards, Kistna, to the Secretary to the Board of Revenue, dated Masulipatam, 28th January 1873, No. 143.

THE Local Fund Board of Masulipatam Circle having, under contemplation, the establishment of a dispensary at Bezwada, has requested me to find out from Government, whether, in consideration of its paying half his salary, the Government will station there a 1st Class Assistant Apothecary, in lieu of the present 2nd Class Hospital Assistant, the one man to have charge, in future, of the Department of Public Works Hospital, and that to be founded by the Local Fund Board. I request that the proposition may be disposed of at an early date.

2. The Local Fund Board cannot afford to build a hospital on the scale laid down in Government Order,* but, for the present, patients will be treated in a building, which is to be erected by the town-people with the assistance of the Boards, to cost about 800 Rupees.
