*Proceedings of the Madras Government, Public Works Department,
3rd June 1875.*

No. 67. Read the following letter from Captain R. F. MORRIS, R.E., District Engineer, Trichinopoly, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Trichinopoly, 15th May 1875, No. 178:—

I HAVE the honor to forward a copy of a letter received from Sub-Engineer Syed Yusuff bringing to notice that his name should stand before that of Mr. Fox in the gradation list of the Public Works Department for the current year. As Syed Yusuff's statements appear to be correct, I would request that the necessary correction may be made in next year's gradation list.

From SYED YUSUFF, Sub-Engineer, 3rd Range, to Captain R. F. MORRIS, R.E., District Engineer, Trichinopoly, dated 29th April 1875, No. 22.

WITH reference to the gradation list published in the annual list of the Public Works Department I find that my name is entered after Mr. Fox, and as this seems to me to be a clerical error, and as it affects my future prospects and promotion, I beg to state that although Mr. Fox's promotion appeared in the Gazette along with that of mine on the same date, yet on a reference to the *Fort St. George Gazette* of the 15th June 1874 you will be pleased to observe that his nomination to the grade of Sub-Engineer follows mine.

2. Moreover, the vacancy filled up by me, as far as I am aware, occurred long before the death of the late Conductor Hasler, in whose room Mr. Fox obtained his promotion.

3. You will further be pleased to observe, that on a reference to the last year's gradation list, and as well as the Gazette of the 15th June last, that I was promoted in the room of Conductor Plummer, who succeeded Conductor Wiffen, now Assistant Engineer.

4. Conductor Wiffen was senior to late Conductor Hasler, and the latter was succeeded by Conductor Jackson, who also was junior to Conductor Plummer and in whose room Mr. Fox obtained his promotion.

5. Under these circumstances, I beg that you will kindly be pleased to bring the peculiar circumstances of my case to the notice of the Chief Engineer and have the gradation list rectified.

No. 68. ORDER THEREON, 3rd June 1875, No. 1,552.

ESTABLISHMENT, No. 2.

THE appeal from Sub-Engineer Syed Usuff Sahib to be allowed to take precedence of Mr. Fox in the gradation list of

the Department is untenable. Mr. Fox's position on the list of Supervisors, 1st Grade, was above that of Syed Usuff Sahib, as will be seen by a reference to last year's Department list. Mr. Fox attained the rank of Supervisor, 1st Grade, on the 20th April 1871, while Syed Usuff Sahib was not promoted till December of that year. Moreover, Mr. Fox has longer departmental service than Syed Usuff Sahib, he having been entertained in January 1855, while Syed Usuff Sahib's service counts only from June 1860.

2. In the Gazette of the 2nd June 1874 two separate sets of promotions are notified, and Syed Usuff Sahib's name appearing above that of Mr. Fox is due simply to the fact that his promotion is given in one of the series of vacancies, the first of which is filled by Mr. Wiffen.
