*Proceedings of the Madras Government, Public Works Department,
19th January 1875.*

No. 325. Read the following endorsement of the Consulting Engineer for Railways, dated Madras, 18th December 1874, No. 768:—

From R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Madras, 1st December 1874, No. 1,063.

With reference to the suggestion made by the Examiner of Railway Accounts at the Committee Meeting held in my office yesterday, I have the honor to request that you will be so good as to communicate to me the sanction of Government for the appointment of a Superintendent of Police at a salary not to exceed Rupees 300 per mensem.

2. It was explained to you at the meeting that the officer in question has until recently formed part of the Traffic Department, and that the salary mentioned (Rupees 300 per mensem) has been sanctioned as a part of the Traffic Manager's Establishment. It has, however, been considered desirable that the Police should not be connected with any particular department, and the Superintendent and his staff have, therefore, been formed into a distinct department directly under the control of this office. The Examiner considers that, under the circumstances, a specific sanction should be obtained for the appointment.

3. It was also agreed at the meeting that a fixed allowance of Rupees 60 per mensem should be made in this case, instead of the usual batta of Rupees 5 per diem under the sanctioned rules.

4. I propose that Mr. R. Ross, who has acted as the Superintendent of Police during the last two years, shall be confirmed in the appointment, and that from the 1st of January next he shall be paid at the rate of Rupees 250 per mensem (and the fixed allowance of Rupees 60 per mensem), his salary being increased to the maximum of Rupees 300 according to merit and length of service. I shall be glad to learn that my recommendations are approved by the Government.
