Proceedings of the Madras Government, Public Works Department, 4th June **1875.**

No. 105. Read the following letter from Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to Government, Public Works Department, dated Madras, 28th May 1875, No. 305 :—

In submitting letters, Nos. 525 and 556, dated 21st and 27th May 1875, from the Agent of the Madras Railway, I have the honor to report, for the information of the Government of India, that I have authorized the budget* allotment for unforeseen requirements in Schedule B., Engineering Department, being increased from Rupees 40,000 to Rupees 80,000, the additional amount being taken from the allotment for protective works to the Poiney Bridge in Schedule A. of the Budget Estimate.

* 1875-76.

From R. B. ELWIN, Esq., Agent and Manager of the Madras Railway Company, to Lieutenant-Colonel J. H. M. SHAW-STEWART, R.E., Consulting Engineer for Railways, dated Madras, 21st May 1875, No. 525.

With reference to your letter, No. 370, dated the 27th of March last, I have the honor to inform you that the Chief Engineer has applied for authority to increase the budget allotment for "unforeseen requirements" from Rupees 40,000 to Rupees 80,000, which was the amount originally provided.

2. Mr. Anderson points out that the sums already charged to this allotment aggregate Rupees 30,585, and that the addition of the amount of the estimate for raising the line at the 373rd and 377th miles, South-west Line, which is also proposed to be charged to Capital under this heading, will nearly exhaust the existing sanction.

3. Under the circumstances, I request that you will be so good as to authorize the supplemental grant applied for.

From the same Officer, dated Madras, 27th May 1875, No. 556.

In reply to your letter, No. 596, of the 25th instant, I have the honor to inform you that the Chief Engineer proposes that the additional amount required for "unforeseen requirements" shall be taken from the allotment for "Protective Works to Poiney Bridge" in Schedule A. of the Budget Estimate.

No. 105-A. Order thereon, 4th June 1875, No. 1,574.

RAILWAY, No. 21.

Ordered that this transfer be reported for the information of the Government of India.
