*Proceedings of the Madras Government, Public Works Department,
5th June 1875.*

No. 115. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, (Account—Military and Civil,) to Colonel G. W. WALKER, R.E., Secretary to the Government of Madras, Public Works Department, dated Simla, 11th May 1875, No. 168 A.—M. and C. :—

In continuation of Public Works Department telegram, dated 15th March 1875, communicating the sanction of the Government of India to the transfer of the Upper Godavery Navigation Works from the Central Provinces to Madras with effect from 1st April 1875, I am now directed to state that, as the grant for the maintenance of the works will have to be found from Provincial Funds, with the aid of the additional grant made to those funds of Rupees 32,000 conveyed in Financial Department Resolution, No. 1,617, dated 12th March 1875, the Governor-General in Council has been pleased to authorize the value of the tools and plant and stores on the works on 1st April 1875 being made over to Provincial Funds free of charge. The necessary instructions to give effect to this sanction will be issued by the Accountant-General, Public Works Department, to the Controller of Public Works Accounts.

2. I am to add, with reference to the inquiry made in your letter, paragraph 3, No. 11, dated 4th January 1875, that, with the exception of a sum of Rupees 290 spent on a Police station-house, no expenditure has been incurred from the Provincial Funds of the Central Provinces on the maintenance of the existing Civil Buildings and Communications in the Pergunnahs transferred to Madras with the Godavery Navigation Works. It is presumed that the Government of Madras will be able to assign the small grants of money that may be required for the purpose from the funds at its disposal.
