No. 119. Petition from A. NADAMOONY MOODELLY, dated 20th May 1875.

No. 120. ORDER THEREON, 5th June 1875, No. 1,582.

ESTABLISHMENT, No. 3.

THE Government observe that the petitioner maintained a good character during the whole period of his service of fourteen years, and that his claims to re-employment appear to have deserved more attention than they would seem to have received at the hands of the several officers under whose notice in succession they were brought. The District Engineer, Nellore, will now be instructed to take measures for verifying the petitioner's service, and he will then submit an application for a gratuity according to the Uncovenanted Civil Service Rules. The petitioner being now about 50 years of age his re-employment would probably not be desirable.
