No. 121. Read the following letter from Lieutenant-Colonel F. J. B. PRIESTLEY, Superintendent, Revenue Survey, to Major A. DEC. SCOTT, R.E., Under Secretary to Government, Public Works Department, dated Chepauk, 18th May 1875, No. 1,367-58 :—

With reference to your letter No. 266 of the 23rd ultimo, requesting to be favored with my opinion as to the desirability of the transfer to this office of the maps, &c., which were originally in the Deputy Surveyor General's Office, I have the honor to state that I consider the transfer might be made with advantage; the maps are frequently required for reference, and at the present time some of them are in this Office. Applications have to be made to the Secretary to Government whenever records of triangulation are required.
