*Proceedings of the Madras Government, Public Works Department,
5th June 1875.*

No. 138. Read the following letter from Major J. BEATTY, R.E., District Engineer, Godavery, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Dowlaishweram, 11th May 1875, No. 512:—

With reference to paragraph 2 of G. O., No. 162-A, of the 24th January 1874,

1 Revised Abstract Estimate.
1 Comparative Statement.

I have the honor to forward, herewith, a revised abstract estimate, amounting to Rupees 8,410, for constructing a Sea

Custom-house at Coringa, the original estimate for which, amounting to Rupees 7,270, was sanctioned in G. O., No. 3,424, of the 23rd May 1863, or nearly twelve years ago.

2. A comparative statement showing the differences between the original and revised estimates is herewith enclosed.

3. Provision is made in the revised estimate for teakwood instead of marjaty wood, as allowed in the original estimate, teakwood being so much more durable than marjaty wood, and this is the principal cause of increase in the estimated cost of the work.

No. 139. ORDER THEREON, 5th June 1875, No. 1,589.

CIVIL WORKS, No. 17.

THE revised estimate is sanctioned, but there are no funds at the disposal of Government for appropriation to the work.
