*Proceedings of the Madras Government, Public Works Department,
7th June 1875.*

No. 169. Read the following letter from Lieutenant-Colonel C. S. HEARN, Inspector-General of Police, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to Government, Public Works Department, dated Madras, 26th May 1875, No. 2,595.

I HAVE the honor to submit, for *early* sanction of Government, an estimate, with rough plan, amounting to Rupees 860, for re-roofing by Public Works Department the Town Police Station at Mangalore, South Canara District.

2. Information has been afforded that the original building was constructed in 1869 at a cost of Rupees 3,187 by the Mangalore Municipality through the agency of private contract, and that it is now in such an unsafe condition that the Superintendent of Police has been obliged to remove the men from it. There is no other building in the town suitable for a Police Station. The present work is, therefore, most emergently required.

3. A sum of Rupees 1,210 was entered for entire reconstruction by departmental arrangement of the building in the lists approved by Government in their Order, No. 3,594, dated 21st December 1874, Public Works Department, and it has been subsequently found that an estimate (Rupees 860) would be sufficient to meet all present requirements, the work being carried out by the agency of Public Works Department.

4. The work is classed as reconstruction and funds provided from the grant for new works, as it is impossible to find sufficient money from repair allotment.

5. Delay in submitting the present estimate has been caused by necessity for frequent references to the district to obtain all the necessary information regarding the building, and I request, therefore, that the estimate may be sanctioned as a *special* case.

6. I request permission to appropriate Rupees 1,010, being the balance of Rupees 1,870, sanctioned in G. O., No. 2,176, dated 31st December 1874, Financial Department, for the following buildings instead of those proposed in the lists embodied in the above order, as the works now proposed to be undertaken are found to be emergently required. The remaining (Rupees 110) required in addition will be arranged for in due course:—

1. Reconstruction of head-quarter Police Office at Mangalore by	rs.
Public Works Department	1,100
2. To provide necessaries for the Police urinal at do. by Police	20
Department...	1,120

7. A report has been this day received that the District Engineer has already submitted an estimate for the first work to Government for sanction.

8. The lists of appropriation for new works hereafter to be submitted to Government will be prepared accordingly.

No 170. ORDER THEREON, 7th June 1875, No. 1,604.

CIVIL WORKS, No. 19.

THE estimate is sanctioned for immediate execution. The proposals in paragraph 6 for re-appropriations of funds will be considered in the Financial Department.

(True Extract.)

(Signed) J. O. HASTED, Major, R.E.,
Offg. Joint Secretary to Government.
