*Proceedings of the Madras Government, Public Works Department,
9th June 1875.*

No. 191. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department (Account—Irrigation), to Major J. O. HASTED, R.E., Officiating Joint Secretary to the Government of Madras, Public Works Department (Irrigation Branch), dated Simla, 28th May 1875, No. 175A.—I. :—

WITH reference to the orders of the Government of Madras, communicated under endorsement, No. 3,279, dated 19th November 1874, in which it has been decided that Part VII. of the Budget Estimate of the Irrigation Department, Madras, to be of any real value should exhibit the *entire* revenue derived from irrigation works, I am directed to point out that the forms issued with Public Works Department Circular No. 64 of 1871, require that such portion of the income as is now brought to account as *land revenue* should be shown, not in the body of the estimate, but in a memorandum at the foot of the estimate, and to request that in preparing the Budget Estimate this rule may be kept in view.
