Dated	12 - 6 -	1875 / 195

Not to be folded or roughly handled

Proceedings of the Madras Government, Public Works Department, 12th June 1875.

Read the following letters:—

No. 290. From Captain ROSS THOMPSON, R.E., District Engineer, Presidency, to Colonel G. W. WALKER, R.E., Chief Engineer, Public Works Department, dated Fort St. George, 21st April 1875, No. 416.

I HAVE the honor to submit, for sanction, a plan and estimate, with specification report, amounting to Rupees 380, for providing large windows to the Apothecary's quarters attached to the Penitentiary, Madras, in lieu of the present small ones.

1 Plan.
1 Estimate (abstract.)
1 Specification report.

2. The project was prepared at the request of the Surgeon-General, Indian Medical Department, and approved of by that officer.

3. The present windows are $3\frac{1}{2} \times 2$ feet, and the Apothecary complains that the room is very hot and dark. It is, therefore, proposed to substitute larger windows 6 feet × 4 feet to make the room more comfortable.

4. The estimate provides for everything necessary. The rates are reasonable and sufficient; and no supplementary works will be hereafter required.

5. Funds will have to be provided by Government.

No. 291. From Captain ROSS THOMPSON, R.E., District Engineer, Presidency, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Chief Engineer, Public Works Department, dated Fort St. George, 28th May 1875, No. 960.

WITH reference to your Memorandum, No. 446, dated 23rd April 1875, I have the honor to state that the probable value of old windows and venetians in the Apothecary's quarters of the Penitentiary is Rupees 50. No allowance has been made in the estimate for the same, as old materials of any description when removed from any building are, as a rule, sent to the District Engineer's stores, and utilized when opportunities offer.

1 Data.

2. It has always been found that when such materials are sold by auction they go for little or nothing.

3. Detailed data is enclosed in support of the charge for new windows.

No. 292. ORDER THEREON, 12th June 1875, No. 1,664.

CIVIL WORKS, No. 31.

THE estimate, amounting to Rs. 380, for providing large windows to the Apothecary's quarters, Penitentiary, is sanctioned. No funds are at present available for the work.

2. It is observed that estimates should always be credited with the value of old materials. If it is found impossible to obtain anything like the actual value of the materials by auction sale, they should be taken into the District Stores at the price experience has shown they are worth for future use.

(True Extract.)

Major, R.E.,
Offg. Joint Secretary to Government.

To the District Engineer, Presidency.

Sir,

I have the honor to submit for sanction a plan and estimate with specification, report amounting to Rs 380 for providing large windows to the apothecary's Quarters attached to the Penitentiary Madras, in lieu of the present small ones.

2 The project was prepared at the request of the Surgeon General I.M.D. and approved of by that officer.

3. The present windows are 3½ × 2 feet, and the apothecary complains that the room is very hot and darkk. It is therefore proposed to substitute larger windows 6' × 4' to make the room more comfortable.

4. The estimate provides for everything necessary. The rates are reasonable and sufficient; and no supplementary works will be hereafter required.

5. Funds will have to be provided by Government.

Memo

The Dirs Presidency is requested with reference to his letter No 416 dated 21st April 1875 to be so good as to state the probable value of the old windows and Venetians in the Apothecary's Quarters of the Penitentiary and why no allowance has been made in the Estimate for value to be recovered.

It is observed that the proposed charge for each of the new windows and Venetians is Rs 40 which is considered a heavy charge.
