*Proceedings of the Madras Government, Public Works Department,
14th June 1875.*

No. 302. Read the following letter from Captain L. CONWAY-GORDON, R.E.,
Controller of Public Works Accounts, to Lieutenant-Colonel J. MULLINS,
R.E., Officiating Secretary to Government, Public Works Department, dated
Fort St. George, 26th May 1875, No. 948 :—

In forwarding a letter to your address from the Superintending Engineer, Tanjore,
1 Letter, No. 2,737, dated 30th January 1875. enclosing an application for pension on
1 " " 2,736, " " " " behalf of R. Nummiah, late a Draughtsman
1 Application for pension. in No. 5 or Manargudi Range of the
1 Register of Service. Tanjore District, I have the honor to

inform you that, under Section 47 of the Civil Pension Code, a compensation pension
is awarded only in those cases in which the party concerned has been thrown out of
employment by the abolition of his appointment.

2. Rule 5 of the same section distinctly points out that the discharge of one
officer to make room for another better qualified is not the abolition of an appointment
within the meaning of this section; and as Nummiah Naidu was thrown out of employ
with reference to G. O., No. 3,283, of the 20th November 1874, in which the Super-
intending Engineer, Tanjore, was instructed to adopt measures for providing a more
efficient Draughtsman for No. 5 Range, he is not entitled to the compensation pension
which has been applied for.

3. Some time has been taken up in the verification of the applicant's service; and
if the applicant had been found eligible to a pension or gratuity it would have been
necessary to have returned the application to the Superintending Engineer with a view
to an affidavit being taken from Nummiah in support of the entry relating to his services
from the 20th September 1850 to 17th September 1855, and from 11th March 1858 to
15th August 1860, as his services cannot be verified for these periods.

From W. B. LEGGATT, Esq., A.I., C.E., Executive Engineer, in charge of Superintending
Engineer's Office, Tanjore, to Colonel G. W. WALKER, R.E., Secretary
to Government, Public Works Department, dated Camp at Negapatam, 30th
January 1875, No. 2,736.

I HAVE the honor to forward herewith, in the prescribed form, an application for
pension under Section 47 of the Civil
1 Application for pension. Pension Code, on behalf of Nummiah
1 Service Book. Naidu, late Draughtsman and Estimator of

No. 5 Range Office of this district, whose services were dispensed with in accordance
with G. O., No. 3,283, dated 20th November 1874.

2. Under the operation of the Government Order just quoted, the services of two*
Draughtsmen and Estimators of Nos. 4 and
* Damodara Naidu. 5 Ranges had to be dispensed with in order
Nummiah Naidu. to provide efficient Draughtsmen for these

ranges; and for one of them only, viz., the Draughtsman of No. 4 Range, it has been
possible to find other employment. At present there is no vacancy in the district to
which Nummiah Naidu can be appointed, and hence the necessity for the submission
of this application for a pension for him.

3. The whole of Nummiah Naidu's service (which, as per his service book,
extends over a period of twenty-three years five months and twenty-eight days) has been
rendered in this department, of which his services from the 16th August 1860 have

*Proceedings of the Madras Government, Public Works Department,

been verified by the records of this office; but the records, however, do not admit of his services previous to that date being verified, and the Controller, through whose office this application is forwarded, has been requested to verify the services of Nummiah Naidu prior to the 16th August 1860 from records in his office.

4. I have entered Rupees 20 or one-half of Nummiah Naidu's pay as the proposed pension, in consideration of his services being dispensed with from no fault of his and against his inclination, he having but eighteen months' service to put in to qualify under the rules for the full pension, viz., one-half his average salary for the last five years.

5. Nummiah Naidu has always borne a good character, and has endeavoured to the best of his abilities to discharge his duties carefully and diligently, as will be observed from the remarks entered in his service book.

No. 303. ORDER THEREON, 14th June 1875, No. 1,669.

ESTABLISHMENT, No. 14.

In G. O., No. 2,342, dated 7th October 1872, the action of the Officiating Superintending Engineer, 6th Division, in placing certain Accountants and Assistant Accountants in the position of Draughtsman until further vacancies occurred, when introducing the District Engineer's system, was approved; vacancies, however, not having occurred in which to provide for all these men, the Superintending Engineer acting under instructions given in G. O., No. 3,283, dated 20th November 1874, dispensed with the services of one of them, R. Nummiah Naidu, in order to appoint in his place a qualified Draughtsman, and an application having been made for pension on his behalf, his period of service being twenty-three years five months and twenty-eight days, the Controller points out that, under Rule 5, Section 47, of the Civil Pension Code, the discharge of one officer to make room for another better qualified cannot be regarded as the abolition of an appointment, and therefore a compensation pension is not admissible.

2. It is remitted to the Pension Department whether, having in view R. Nummiah Naidu's good character in the Public Works Department, and the fact that his loss of appointment is primarily due to the re-organization, he can be admitted to pension, his service being reckoned up to the date of the re-organization.
