*Proceedings of the Madras Government, Public Works Department,
16th June 1875.*

No. 361. Read the following letter from Major J. BEATTY, R.E., District Engineer, Godavery, to Major J. O. HASTED, R.E., Officiating Chief Engineer for Irrigation and Joint Secretary to Government, dated Dowlaishweram, 3rd June 1875, No. 756 :—

WITH reference to paragraph 3 of your memorandum, No. 58, of 29th January 1875, and the remark at the close of your memorandum, No. 424, of 28th April 1875, I have the honor to forward, herewith, two statements showing the land to be taken up under the original and revised arrangements of a portion of the Velpur Canal. The difference in quantity is so trifling that it was not thought necessary to mention it, and there is no reason to suppose that there will be any great difference in cost.

2. As to the amount of compensation, in any case the Revenue Department would be months or perhaps years settling it, so that we can only judge by the area, position, and description of the land required.

Statement showing Land taken up for Velpur Canal improvement below Penumantra Road.
