*Proceedings of the Madras Government, Public Works Department,
18th June 1875.*

No. 388. Read the following letter from T. D. HARRIS, Esq., Officiating District Engineer, Malabar, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to Government, Public Works Department, dated Camp at Tellicherry, 31st May 1875, No. 37 :—

I HAVE the honor to forward correspondence as per margin, together with an estimate for painting the doors and windows of the Military buildings at Malleapooram Rupees 660, and with reference to His Excellency the Commander-in-Chief's opinion, I beg to be informed whether the work should be treated as "Repair" or as "Minor New Work;" the doors and windows not having been painted before I think the work should be classed under the latter head. Should Government agree with me, I request that it may be sanctioned accordingly. Funds can be met from the "Minor New Work" provision under "Military," of which a sum of Rupees 1,038 is available.

From Brigadier General, A. T. CADELL, Commanding Malabar and Canara, to the Quartermaster General, Fort St. George, dated Cannanore, 19th May 1875, No. 144.

I HAVE the honor to forward, for submission to His Excellency the Commander-in-Chief, the enclosed specification and estimate amounting to Rupees 660 for painting the doors and windows of the buildings at Malleapooram.

2. The estimate has been prepared by the District Engineer, who considers it necessary to apply paint to the wood work to preserve it from decay.

No. 3,319.

THE approval of the Commander-in-Chief to the enclosed estimate is apparently unnecessary under paragraphs 22 and 23, G. O. C. C., No. 13, dated 8th February 1866, and G. O. C. C., No. 40, dated 13th March 1871, the District Engineer, in communication with the Divisional Authorities, appears to have the power to deal with the estimate without the intervention of His Excellency the Commander-in-Chief.
