*Proceedings of the Madras Government, Public Works Department,  
18th June 1875.*

No. 408. Read the following letter from R. G. MACDONALD, Esq., Examiner of Railway and Irrigation Accounts, to Major J. O. HASTED, R.E., Officiating Chief Engineer for Irrigation and Joint Secretary to Government, Public Works Department, dated Madras, 5th June 1875, No. 440 I:—

I HAVE the honor to inform you that Munnajee Row, the Accountant who works under my orders in the office of the Manager, Madras Irrigation and Canal Company, at Kurnool, has applied for six weeks' privilege leave, to commence from the 1st July 1875. He is entitled to that leave under the Uncovenanted Service Rules, and he well deserves the indulgence as he has worked very hard and with intelligence.

2. But I cannot leave his post vacant for six weeks. The current examination of the accounts has to be carried on day by day. If he had been stationed in Madras I should have endeavoured to carry on his duties without extra expense, but that is not possible with the office of the Manager of the Irrigation Company at Kurnool.

3. I therefore, before recommending the leave, beg to inquire whether Government will permit me to send a member of my Madras staff to Kurnool for the six weeks that Munnajee Row may be absent, and to engage a temporary clerk in his place for the period he may be absent. The duties at Kurnool are not of such a nature that they could be with prudence entrusted to a temporary man, even if an experienced man could be found readily, as is not likely.

4. According to the rules Munnajee Row would draw full pay while absent on leave, and the effect of the present proposal would be to bring an extra expense upon Government, of six or seven weeks' pay of a temporary clerk, which might be limited to Rupees 50 *per mensem*, plus the travelling expenses to and from Kurnool of the Accountant sent there from this office.

No. 409. ORDER THEREON, 18th June 1875, No. 1,723.

ESTABLISHMENT, No. 24.

UNDER the circumstances brought to notice the Examiner of Accounts is authorized to incur such additional expenditure,

not exceeding Rupees 50 a-month, plus the travelling expenses of the Accountant who may be sent to Kurnool, as may be necessary to admit of Munnajee Row, the Accountant employed on the audit of the Madras Irrigation and Canal Company's Accounts, taking the privilege leave for which he has applied.

2. Such portion of the charge as may not be provided for by the rules will be met from savings under State provision for expenses in connection with the Madras Irrigation and Canal Company.
