PROCEEDINGS OF THE BOARD OF REVENUE, dated 10th June 1875.

Read the following letter from R. J. MELVILLE, Esq., Acting Collector of the Chingleput District, to H. E. STOKES, Esq., Acting Secretary to the Board of Revenue, dated Sydapet, 19th May 1875, No. 270 :—

REFERRING to the Proceedings of the Board of Revenue, dated 4th instant, communicating those of Government, Public Works Department, No. 1,131, dated 21st April last, I have the honor to state that in cases Nos. 1 and 2 the lands were taken up for the extension of the Southern or East Coast Canal.

2. Adverting to the concluding part of the Board's Proceedings, I beg to inform them that the approximate value of the claims still remaining to be disposed of in connection with the Water Works Project is Rupees 10,000 in connection with a dozen villages; the whole of these would have been long ere this settled but for the compensation claims in connection with the Carnatic Railway having taken up so much of the Special Deputy Collector's time. Every effort will, however, be made to expedite their disposal.

SUBMITTED to Government with reference to G.O., dated 21st April 1875, No. 1,131, Public Works Department.
