*Proceedings of the Madras Government, Public Works Department,  
2nd July 1875.*

Read the following letters :—

No. 28. From Major J. W. HINDLE, Officiating District Engineer, Vizagapatam, to Colonel G. W. WALKER, R.E., Secretary to Government, Public Works Department, dated Waltair, 1st May 1875, No. 193.

I HAVE the honor to bring to notice that, in consequence of Sub-Conductor J. Cormac being away on three months' privilege leave, I have been obliged to order Taluq Overseer Soobiah Naidoo to take most part of the sub-division charge in addition to his own.

2. Although Soobiah Naidoo is not in charge of the entire sub-division, his present charge assimilates to that of a sub-division.

3. Considering the increase of work now transferred to him, and the way in which he has managed to carry it out, I beg to recommend that while he is so employed he

should be granted the deputation allowance of Rupees 50 sanctioned\* for Overseers when in charge of sub-divisions.  
\* *Vide G. O.*, No. 470, of 17th February 1875.

No. 29. From K. F. NORDMANN, Esq., Officiating District Engineer, Vizagapatam, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Chief Engineer, dated Waltair, 5th June 1875, No. 377.

WITH reference to your memorandum No. 505, of 12th May 1875, calling upon me to report what portion of the sub-division charge was withheld from Taluq Overseer Soobiah, and the reasons for such exemption, I have the honor to state that the charge of the sub-divisional officer, which consists of 128 miles of roads and several Military and Civil Buildings at and near Vizianagram, was divided between Overseers Soobiah and Bennett, as the whole sub-division was considered too much for Overseer Soobiah who had, besides his own taluq charge, also temporary charge of the Local Fund Overseer's works; the latter having been ordered to do duty in Mr. Brickwell's Range pending the completion of the survey, levels, &c., in connection with the Kondakirla Ava Project. The works of the sub-division were divided between the two Overseers thus: 70 miles of roads and all the buildings were transferred to Overseer Soobiah, and 58 miles of roads to Serjeant Bennett.

No. 30. ORDER THEREON, 2nd July 1875, No. 1,845.

ESTABLISHMENT, No. 4.

It would appear that Taluq Overseer Soobiah had charge of the entire sub-division with the exception of

58 miles of road in addition to his own duties.

2. Under these circumstances the Honorable the Governor in Council sanctions the payment to him of deputation allowance during the absence on leave of Sub-Conductor J. Cormac, or until other arrangements can be made.
