With reference to the accounting papers, I beg to know if the Controller is still to be supplied with Volumes of Navigation Proceedings, and whether any Indexes and Nos. in the Railway Dept are still to be furnished to the Assistant Engineer for Railways & the Eng. Railway Accounts as usual.

I do not know whether
what orders volume of
Regulation can be supplied
to the Controller and I doubt
that it is a proper practice.
It is contrary to the policy
of the other Dept.
The Com. Engineer for Railways
also gets volumes of Railway
Proc. but under what
authority I cannot say.
The Controller of Public Works
far from the Govt office
and I have a hunch that
they really incident on the
Govt office. Received Dept for
papers that they require.
Under a proper system there
should be a little more for
compliance by the Controller.
