*Proceedings of the Madras Government, Public Works Department,
3rd July 1875.*

No. 94. Read the following letter from C. J. LYALL, Esq., Under Secretary to the Government of India, Department of Revenue, Agriculture and Commerce, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to the Government of Madras, Public Works Department, dated Simla, 14th June 1875, No. 128 :—

IN reply to your letter, dated 27th August last, No. 2,435, to the address of the Secretary to the Government of India in the Public Works Department, suggesting the provision of Rupees 1,000 to meet the expense of transferring the lantern from the old Tuticorin lighthouse for exhibition on a staging at Muttam Point, I am directed to say that the Governor-General in Council has been pleased to sanction the grant. I am, however, to observe that the action of the Government of India in this instance is not to be taken as a precedent, neither is it to be understood as in any way indicating that the Government of India accepts the views of that of Madras as regards the proper incidence of such charges.

2. I am also to request the early submission of a statement, in the usual tabular form, of the establishment required for the exhibition of the light.

3. It is understood that the cost of oil and sundries for maintaining the light will amount to Rupees 30 monthly.
