No. 392A. Read the following docket from the Government of India, Public Works Department, (Account—Military and Civil,) dated Fort William, 12th January 1875, No. 15 A.—M. C. :—

Copy of the following forwarded to the Secretary to the Government of Madras, Public Works Department, with a request that it may be stated whether instruments are re-graduated at Madras in connection with the Store Department.

By order,

(Signed) J. J. McLEOD INNES, Colonel, R.E.,
Dy. Secy. to the Government of India.

From the Secretary of State for India, to the Government of Bombay, Public Works Department, dated India Office, London, 19th November 1874, No. 30 P. W.

I HAVE received your Public Works letter, No. 38, dated 25th September 1874, forwarding an explanation of the demand for a machine for graduating degrees on verniers.

2. The operation of graduating verniers is one of great delicacy, and the instruments required for the purpose are very costly. I have not therefore considered it advisable to comply with the present demand.

3. I would suggest that all instruments requiring re-graduation might be sent to this country in order that the process may be effected by skilled mechanics specially trained to the work.
