Resolution by the Government of India, Public Works Department, Nos. 1,565—83 E—G, dated 10th September 1874, regarding alterations in the Public Works Department rules and practice in matters of establishment consequent on the provincial system and other changes.

RESOLUTION.—In explanation and modification of paragraph 34 and clause (3) of paragraph 35 of the Resolution just read, His Excellency the Governor-General in Council is pleased to intimate that members of the Account Establishment of the Public Works Department, both in the control and in the subordinate branches are also subject to the rules prescribed in paragraph 32 of that Resolution respecting temporary promotions.

2. The power of making all appointments to, and promotions in, the Control Establishment, whether permanent or temporary, is reserved by the Government of India for reasons which have been already explained in the Resolution now read.

3. The rule* providing for Accountants becoming supernumerary when absent on leave or deputation for twelve months or more, is cancelled. Appointments and promotions, whether permanent or temporary, of Accountants in the Military Works Branch, the several Local Administrations, and the State and Guaranteed Railway Branches will continue to be made by the Government of India. Although promotions will now be made as vacancies occur, instead of half-yearly, it is desirable that local heads of the Department should continue to submit the half-yearly recommendation rolls prescribed in Public Works Department Code, Chapter I., Section ii., paragraph 22, in order that the Government of India may be kept informed of the names of men considered deserving of promotion.

4. The establishment of Accountants which will thus remain under the control of the Government of India will be kept in such lists for promotion as may be found convenient. At present those attached to State Railways are grouped in one list, and all others in a second list.

5. Appointments and promotions of Accountants under the Governments of Bengal, North-Western Provinces, and the Punjab will continue to be made by those Governments; but first appointments to a higher grade than the 4th grade, require the confirmation of the Government of India. (*Vide* Public Works Department Code, Chapter I., Section ii., paragraph 21.)

*Proceedings of the Madras Government, Public Works Department,
9th July 1875.*
