*Proceedings of the Madras Government, Public Works Department,
10th July 1875.*

No. 317. Read the following endorsement of the Officiating Chief Engineer,
dated 24th June 1875:—

From R. G. MACDONALD, Esq., Examiner of Railway and Irrigation Accounts, to
Major J. O. HASTED, R.E., Officiating Chief Engineer for Irrigation, dated
Madras, 19th June 1875, No. 486-I.

In attention to G. O., No. 1,616, dated 9th instant, I have the honor to report
that the discrepancy between the percentage cost of establishments of the Madras
Irrigation and Canal Company for executive purposes and general management in the
first and second quarters of 1874, arises from the alteration in the principle upon which
charges of this nature are apportioned, which was sanctioned in G. O., No. 2,072,
dated 30th July 1874, and which came in force upon the 1st April 1874.

SUBMITTED for the information of Government, with reference to G. O., No. 1,616,
of the 9th June 1875.

(Signed) JOHN MULLINS, Lieut.-Colonel, R.E.,
Offg. Chief Engineer, P.W.D.
