*Proceedings of the Madras Government, Public Works Department,
12th July 1875.*

No. 332. Read the following letter from Colonel C. H. DICKENS, R.A., Secretary to the Government of India, Public Works Department, (Account—Irrigation,) to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to the Government of Madras, Public Works Department, Irrigation Branch, dated Simla, 16th June 1875, No. 182 A.—I. :—

I AM directed to acknowledge the receipt of the Proceedings of the Government of Madras, communicated under your endorsement No. 1,026-A, dated 14th April 1875, from which it would appear that the discrepancies in the capital outlay of 1873-74 on the Godavery and Kistna Delta Irrigation Works are due to differences in classification in the accounts of the District Engineers and of the Controller of Public Works Accounts, Madras.

2. In reply, I am to inquire whether the principle laid down in the memorandum of instructions for the preparation of Capital and Revenue Accounts, forwarded with Public Works Department letter, No. 103 A.—I., dated 11th April 1874, viz., that estimates for Irrigation Works should indicate whether the charges are debitable to Capital or Revenue, is now followed. It is desirable that the question of the incidence of charges of the kind referred to should not be left open till the time for accounting arrives.
