Proceedings of the Madras Government, Public Works Department,
13th July 1875.

No. 356. Read the following letter from R. E. NORFOR, Esq., Officiating District Engineer, South Arcot, to Lieutenant-Colonel J. MULLINS, R.E., Officiating Secretary to Government, Public Works Department, dated Camp at Cuddalore, 29th June 1875, No. 77:—

With reference to G. O., No. 1,184 of 29th April 1875, I have the honor to state that the Controller of Public Works Accounts has passed only provisionally the salary bills of the Survey Establishments entertained for surveying Railway Stations in this district for April and May last, on the grounds that the source from which the charge is to be met is not specified in the Government Order.

2. In G. O., No. 250, of 27th August 1872, and No. 2,092, of 31st July 1874, it is laid down that charges similar to those in question should be met from the Budget provision for State outlay in connection with Guaranteed Railways, I think the same rule is applicable in the present case.
