I HAVE the honor to inform you that out of a sum of Rupees 10,576-12-1, authorized to be paid in G. O., No. 1,398, dated 23rd May 1865, for land taken up for Military purposes at Cannanore, Rupees 636-2-5 was repaid by the Collector of Malabar into treasury owing to the rightful claimant not having been then found, but you will observe from the accompanying copy of letter from the Acting Collector, No. 1,132, dated 30th April 1875, that one Ellat Valiyatha Suppi Kutti has been declared by the Civil Court to be the party legally entitled to the compensation. As in G. From D. BUICK, Esq., Acting Collector of Malabar, to T. D. HARRIS, Esq., District Engineer, Malabar, dated Calicut 30th April 1875, No. 1,132.

ONE Ellatt Valiyagath Suppi Kutti having been declared by the Civil Court to be the party legally entitled to the compensation for a portion of the land taken up for the burial ground at Cannanore, I have the honor to request that you will be good enough to take steps to place at my disposal, in order that it may be paid to him, a sum of Rupees 636-2-5 repaid into the treasury on the 1st February 1871, in accordance with the direction contained in letter dated 22nd November 1870, No. 649, from the Controller of Public Works Accounts, copy of which I enclose for your information.

It appears from the correspondence quoted in the margin that on the requisition of the Commander-in-Chief, made in 1863, certain pieces of land were taken up at Cannanore to be converted into Military burial grounds, for which compensation to the extent of Rupees 10,576-12-1 was sanctioned in G. O., No. 1,398, dated 23rd May 1865, and the money for the purpose made available. Of this sum Rupees 636-2-5 were however repaid by the Revenue Authorities into the treasury, the rightful claimant not having come forward, and it is now proposed to re-allot the amount.

2. Since this transaction occurred the Government of India have transferred to Provincial services the charges on account of all burial grounds; but the Honorable the

Proceedings of the Madras Government, Public Works Department,
14th July 1875.

Governor in Council does not consider that this charge, belonging to a period long anterior to the transfer, can be legitimately placed to the Provincial account, and he accordingly authorizes an allotment of funds being made under "Military,"* to which head it rightly appertains.
